**SELECT MALE SCHOOL AT OXFORD, N. C.**  
The School, which has been established by a high degree of property, under the conduct of J. H. Horner, A. M., by whom it was originally established, will be re-opened on the 1st of July, and arranged to prepare boys for advanced classes in the University of North Carolina. For this purpose, Prof. A. G. Brown, whose reputation is well known as a teacher of the Ancient Classics, during the last three years, at Chapel Hill will be associated with the present Principal, and Rev. T. J. Horner will continue to be an Assistant Instructor.  
The School, as thus organized, is designed to be permanent, and of the highest grade. As it is divided into a few classes, pursuing a regular course of studies, considerable advancement in the study of the Latin and Greek languages, and the subject of every lesson by each instructor in his own department.  
Important advantages have been secured by the establishment of a literary society, with its library, and an efficient system of discipline, in which special attention is given to the habits and deportment of the young men, when not engaged in the study of the languages, or in the study of the sciences. Its location is very beautiful; the climate of Oxford is excellent, the third month of the year, and the school is situated on an eminence in a beautiful grove, beyond the corporate limits of the town, and near the residence of the Principal, and other private families, who will accommodate the students with board and lodging.  
Two terms of twenty weeks each, coinciding with those of the University, compose the scholastic year, and the price of tuition is \$100.00 per annum, including board and books. Applications should be made as early as practicable, accompanied with a statement of the age and proficiency of the applicant.  
May 1st, 1857. -35-15f

E. GILBERT, a graduate of the University of Virginia; an able scholar, and an experienced and successful teacher.  
The rates of Tuition will, in no case, exceed those in similar institutions; and board may be obtained in private families of the first respectability, and in the immediate vicinity of the Seminary.  
The subscriber will attend to all applications made previous to the arrival of the Principal.  
The Spring Session is now in session at the Grove Academy, for boys, of which the Subscriber is Principal, will also commence on the 20th Anniversary. Address, Rev. JAMES M. SPRUNT, 15-4f.
